

K-LOVE serves me as a resident of the local community by providing positive, uplifting and encouraging, entertainment. There is no crudeness, and can be one any time of day, no matter what age person is within listening distance. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster would be that a large part of the community would not be able to enjoy this type of programming.

I believe that the service provided by K-LOVE is in the public interest. It is soothing, and refreshing. There is information about community events that we cannot get from other stations.

Thank you,

Catherine Crawford
